

Knyveton Gardens Bowling Club

Lockdown Playing Requirements

Following deliberations, the Club are introducing “**Social Distance Bowling**” for **Club Members** on a limited scale, **using both Government and Bowls England guide lines**. These require **Social Distancing** and the sanitization of equipment used, so only **three (3) rinks** will be occupied per day with (initially) maximum of **PAIRS only**.

The Club House is required to remain closed and therefore bowling sessions will be for **one and three-quarter hours** only. It is essential we all respect individual club members varying views on the Covid situation and follow the required precautions.

The Rink numbers and direction of play will be changed every day to equalize the green wear. The grass has not been maintained as frequently and as short as we are used too in the playing season. Dependent upon the success of this initial bowling phase further cutting will be considered. **NO PLAY IF RAINING.**

Details and Requirements of the Roll Up

If you would like to Bowl please telephone Robin Pullman who will take bookings and provide Rink allocation and time as available. **Start date Thursday 18th June 2020. No booking No play.**

- Five sessions per day on **Tuesday, Thursday and Sunday** for **1&3/4 hours**, starting at **10:00hrs** with last one at **18:00hrs**. After each session **15 minutes** for essential **sanitization** requirements, see below. Players should also maintain **Social Distancing** and **bring their own hand sanitizers/wipes** for their personal use.

The Club House will remain **CLOSED** throughout this initial period. Although not encouraging visitors, the Management ask any members attending the Club, and not immediately playing, to please maintain the **Social Distancing of 2 metres**.

- The gate will be unlocked and lock kept in Metal Box, please **keep gate closed**.
- Each **Pair responsible** for setting up and dismantling **their** Rink if the following session for that Rink is not booked. *They will be advised.*
- Rink Numbers, Mats and Jacks will be available in the Metal Box (Key in the Key Safe). **Your** Rink items to be **cleaned prior to play** with the **Sanitizer provided** (in the Box).
- Please **use the Rink allocated** and the appropriate Rink Number.
- At the end of the session **clean the Mats and Jacks again** with the **Sanitizer**. If no booking for the next session **Rink Numbers** also to be cleaned and **All Items** returned to the box. If there are no further sessions on any rink that day the box should be locked, the **box key cleaned** and returned to the key safe. *Players will be advised.*
- Close and lock the gate, please **clean the lock and then your hands** when finished.
